How Much Is Enough Endings

Happy Endings - Napa Valley College

enough for her, but she can't believe it Inside John, she thinks, is another John, who is much nicer This other John will emerge like a butterfly from a cocoon, a Jack from a box, a pit from a prune, if the first John is only squeezed enough One evening John complains about the food He has never complained about her food before Mary is hurt

Lesson 1 *September 24-30 (page 6 of Standard Edition) ...

stories? What kind of endings do they have? How do they wind up? Are the loose ends tied together nicely, as in a good piece of writing? This doesn't seem to be the case, does it? How could they end well, when our stories always end in death? In that sense, we never really have happy endings, do we, because when is death happy?

CONTRIBUTION ON THE NERVE-ENDINGS AND ON THE ...

endings in striped muscle and heart muscle, but other duties have interfered It is thought however that enough observations are at hand to admit of drawing some general conclusions, and further, that this exposition of the results obtained with this method, may stimulate others to its use in similar inves- ...
