50416 and 56171 are a 2-car diesel multiple unit. They appeared in the Down at the Station.
This two-car class 109 diesel multiple unit (DMU) was part of an original fleet of 5 units built
British Railways (BR) in 1957 by D Wickham and Co. – the same builders as the track inspecti
trolleys that inspired the character Winston.. The class was a unique design, inspired from the
