Sure you can use aftermarket parts when you service or repair your Evinrude but you'll be weakening your outboard. With genuine OEM Evinrude parts you get the manufacturing precision of the BRP Evinrude factory that ensures your OEM parts are built to the required quality and standard. This means OEM Evinrude outboard parts have the longevity that aftermarket parts can't match and are ...

The jet size starts at 150 and ends at 500 (3 jets per size). The jet holder is 5 inches wide and 6.5 inches long and holds 108 main jets. There are 11 jets missing for a total of 97 that are for sale. The jet holder is Black Trophy Engraving Plate and the jet size numbers are engraved onto it. All holes in the plate are threaded so no jets fall out. Approximately 75% of these jets have never ...
