A great way to create a shared product vision is to employ a collaborative visioning workshop. Rather than formulating a product vision and then selling it to the key people you create it together. Use the product idea as an input and ask the workshop attendees to capture their motivation for working on the product. Then compare the different visions, look for common ground, and combine the ...

Ben Blatt analyzed what makes a good novel great, and he also reviewed first sentences. His conclusions are not clear cut, as he summarizes in his book "Nabokov's Favorite Word is Mauve:" The first sentence is only as popular as the rest of the book, and brevity alone will not make a first sentence great. Our literary heroes may write lengthy first sentences. But when writing for the web ...
