Affairs are an act of betrayal, and they are also an expression of longing and loss. At the heart of an affair, you will often find a longing and a yearning for an emotional connection, for novelty, for freedom, for autonomy, for sexual intensity, a wish to recapture lost parts of ourselves or an attempt to bring back vitality in the face of loss and tragedy. I'm thinking about another patient ...

In response to these challenges, there has been growing public interest in rethinking the U.S. role in the world. Under one option, a realist grand strategy of restraint, the United States would adopt a more cooperative approach toward other powers, reduce the size of its military and forward military presence, and end or renegotiate some of its security commitments. To help U.S. policymakers ...
